Vote on Final Design for Edison Park

Arlington Foresters will vote on the final design for Edison Park renovations at the AFCA monthly meeting on Wednesday, April 24, at 7 pm in the Barrett School Library. County Landscape Architect Kathy von Bredow will present the final design, based on AFCA's approved scope for the project, input from participants at the February 13 design working group meeting, and online comments.

Design elements include play areas for ages 2-5 and 5-12, two basket swings, a mandatory forested Resource Protection Area to conserve soil and stream quality, storm water management to reduce runoff and erosion, and new park amenities (benches, tables, fencing). The final design incor-

porates an added grassy area not in the February 13 working design.

Visit the Edison Park Project page on the County's website to view the design. This project was requested and funded through the Neighborhood Conservation Program. All Arlington Forest residents are eligible to vote, one vote per household. Questions? Please contact Neighborhood Conservation Rep Liz Kauffman, lizkauffman@yahoo.com.

Also at this month's meeting, Lubber Run Farmers Market committee members Barbara Englehart and Allison Kennett will update us on plans for this year's market. See below for a preview.

Spring Cleanup on April 27 by John Naland

Our eighth annual Arlington Forest Spring Cleanup is Saturday morning, April 27. Volunteers will be active in Lubber Run Park (to remove trash from the streambed), the Arlington Blvd southside buffer strip (to remove trash and clean up), and below the N. Granada/N. Greenbrier trailhead (to remove trash from streambed).

We start at 9 am, rain or shine. If you arrive late, look around for those who are already at work. Wear old clothes and sturdy shoes and bring drinking water. Wear garden or work gloves if you have them. The cleanup usually ends by 10:30 am.

Please join this effort to beautify our public spaces if you enjoy walking, jogging or biking in our local parks; if you want to help protect the Chesapeake Bay watershed; if you have children who you want to learn to care for the environment; or if you just want to get out in the fresh spring air to benefit from some light exercise.

Many hands make for light work, so the more volunteers who participate, the more progress can be made to improve community spaces for our spring and summer enjoyment. As always, we welcome the participation of local boy and girl scouts.

If you have questions about the cleanup event, e-mail John Naland at nalandfamily@yahoo.com.

How's the Market?

While many markets across the US have slowed, Arlington's market is still on fire, and buyers are competing over the best selections of what is available. The short supply of single family homes has remained lower this year compared to historical trends. Prices have increased it's a brutal market out there for buyers right now. There are still bidding wars in many sectors of the DC Metro market although Arlington remains one of the hottest areas. The homes attracting bidding wars typically fall into two recurring categories — total fixer uppers priced low and properly priced homes that have been updated and show in pristine condition. Today's buyers are highly discerning and prefer a home that is totally updated and move in ready condition regardless of its age. After pushing their maximum buying power in a high cost area, they don't have much cash left for improvements, and

they are anxious about taking on projects for which they know little about. Buyers also seek locations that fit their lifestyle (close to public transportation, their job, shopping or children's schools.) The fixer uppers are usually snapped up by builders and investors who can pay cash.

Is a move on the horizon for you? For sellers, we offer guidance on preparing your home for the market, walking through with our preferred contractors to provide you with a range of repair estimates. Whatever the scope of work might be, we can help owners manage the jobs since most people are busy and/or don't have the expertise to manage a remodeling project. Our strategies, market knowledge, and industry reputation help to position a seller with winning outcome.

Let's get together to discuss your situation and discover how you can save time and money!

Community Yard Sale on May 18

Arlington Forest's long-running annual Community Yard Sale takes place Saturday morning, May 18 (rain date May 19). With over 40 Arlington Forest households participating each year, the event attracts many bargain hunters drawn to the convenience of cruising through one area to visit many sales.

Next month's newsletter will publish a map of sale sites. To get on the map, e-mail your address to nalandfamily@yahoo.com by April 28. Residents can use the map to locate nearby sales. Sellers are encouraged to make photocopies (or print copies from the online Arlington Forester at www.arlingtonforestva.org) so shoppers can pick up a map leading them to other sites.

Experience suggests these strategies for success:

- Prepare in advance. Sort clothes by size. Group similar items together. Use shopper-friendly ways to display merchandise (tables, clothes rack). Have grocery sacks on hand. Accumulate dollar bills and coins to make change. If selling electronics, set up an extension cord to show that the items work.
- Price items reasonably. Savvy shoppers will buy elsewhere if prices are too high. Be prepared to negotiate down from the listed price.
- To snag buyers who make yard sales their business, start setting up at 7 am. In late morning, people come out

looking for close-out prices and even freebies. If left with furniture or other large items that you simply want to get rid of, leave them at the curb with a "free" sign and they will probably be gone by Sunday afternoon.

-- Keep your cash in a pocket, shoulder purse, or fanny pack. If you do use a cash box, have someone assist you so it is not left unattended while you are with a shopper. Decline personal checks. If you go indoors, have someone watch your merchandise.

Sellers near Arlington Blvd, Carlin Springs Rd., George Mason Dr., and Henderson Dr. are encouraged to post homemade signs along those thoroughfares pointing into the neighborhood to their sale (please remove signs at day's end).

For many people, yard sale success is not measured by profit, but by how much unwanted stuff is moved out instead of left cluttering the house. The sale is also a great community event. Families can say hello to neighbors down the block and snag their own bargains. Kids can set up a lemonade stand.

So, whether you are a seller, a buyer, or both, please join us on May 18.

Put your address on the yard sale map: e-mail it to nalandfamily@yahoo.com by April 28th

Barcroft School News

Barcroft Elementary School Principal Judy Apostolico-Buck has been named Arlington Public Schools' 2019 Principal of the Year! Ms. AB joined Barcroft before the 2018-2019 school year and her enthusiasm, high expectations, commitment to students and staff, and belief that school should also be fun has been transformational. We are delighted that others recognize what we already knew – that Ms. AB is amazing! Prior to joining Barcroft, Ms. AB served in a variety of positions with APS including a resource teacher for the gifted, assistant principal at Taylor, supervisor of Early Childhood Programs, and principal of Ashlawn Elementary School.

A few quotes from the APS press release that sum it up:

“Recognition as the Arlington Public Schools Principal of the Year both humbles and thrills me. I’m very humbled to receive this award and to represent all my equally deserving colleagues within APS,” said Judy Apostolico-Buck. “Thirty-three years ago, I received a coveted spot in APS for my student-teaching and fell in love with all that is Arlington: eager children, engaged parents and, most exciting, a culture that encourages and demands innovation, pushing boundaries and accepting nothing short of excellence for all. To be selected as a leader within the APS community is truly an honor.”

“Those of us who have had the honor to work under

Judy’s instructional leadership will often share how, because Judy believed in us, we went after our dreams. Judy is that beloved teacher who makes such an impact in one’s life and then one’s story is changed forever,” said Barcroft Assistant Principal Gaby Rivas.

Ms. AB will be recognized by the Arlington School Board along with the 2019 Teacher of the Year and Support Employees of the Year on Tuesday, May 14, at Washington-Lee High School. Congratulations Ms. AB and thank you so much for leading Barcroft!

In addition to celebrating the recognition of Ms. AB, the spring also includes many activities at Barcroft. Family Fitness Night is April 25, the fourth-grade music concert is May 2 and Author’s Night with book swap will be May 9. The popular BOGO Book Fair will be held April 29 to May 3. We invite everyone to join us at Café Sazon on May 23 where 10 percent of sales between 4 and 8 pm will go to Barcroft PTA. Make sure to mention you are supporting Barcroft!

Barrett School News

March and April have been an exciting time for science and technology at Barrett! The library was overflowing with science projects for STEAM Night on March 21. Students received a passport to activities throughout the school focused on the theme Exploring Light and Sound, including rainbows and light mazes, a video conference with the NASA Jet Propulsion Laboratory, animal behaviors, light pollution, and making DIY music speakers.

On April 10, Barrett's Project Discovery welcomed Dr. Ellen Stofan, the John and Adrienne Mars Director of the Smithsonian's National Air and Space Museum. Dr. Stofan joined the Air and Space Museum in April 2018 and is the first woman to hold this position. She has more than 25 years' experience in space-related organizations and a deep research background in planetary geology, including as the former chief scientist of NASA. While at NASA, Dr. Stofan helped guide the development of a long-range plan to get humans to Mars and worked on strategies for NASA to support commercial activity in low Earth orbit as it transitions from the International Space Station to sending humans to the moon and Mars in the mid-2020s. Dr. Stofan has addressed the World Economic Forum, the World Science Festival, SciFest Africa, and numerous schools and universities around the world.

She visited Barrett as part of USA Science & Engineering Nifty Fifty Speakers Program, which brings noted science and engineering professionals to schools across the country. Dr. Stofan spoke to Barrett 2nd through 5th graders on "Exploring Other Worlds to Understand Our Own."

Speaking of exploring other worlds, the Barrett 5th graders are preparing for their transition to middle school! Shortly after spring break, they will visit their zoned middle schools to get a sense of what the experience will be like. This will be followed by summer events at each school with the principal and counselors.

The recent Barrett Read-A-Thon raised \$10,000, and because the kids met the goal, Principal Redding will dress up as Captain Underpants, and Assistant Principal Sohr will dress up as the Wicked Witch of the West, on a date to be announced. Barrett's Garden Work Day will be April 27, and all are welcome to come and help.

Top Realtors in Virginia

I am excited to have been named one of the Top Realtors in Virginia (top 2 ½%) by **Virginia Living Magazine**. While it's an honor about which I am pleased, I am a little miffed they didn't call for the cover photo shoot!

It may be a state-wide recognition, but I do the vast majority of my business in Arlington and Alexandria (and a little in Fairfax and DC). I am, however, always happiest to work right here in Arlington Forest.

Congregation

We offer a vibrant Religious School, a Preschool with part- and full-day options, social action activities, Israeli Folk Dancing, adult education classes, a Jewish-interest library, and much more!

Congregation Etz Hayim is a warm, inclusive, Conservative congregation that reveres and embraces the rich heritage of our Jewish traditions and teachings. As a modern, egalitarian community, we encourage diversity and freedom of expression, recognizing that each of us chooses our own path in Judaism.
