Special Summer Issue

by John Naland

This expanded *Arlington Forester* (the last issue before our three-month summer break) contains a number of special features that you will want to hang on to. You can also find this and previous issues on the AFCA website at www.arlingtonforestva.org.

First, on the back cover, is a map of the households participating in the annual Community Yard Sale. Whether you are a seller, a buyer or both, please join in on May 19. See page 4 for additional info.

On pages 16 and 17 is the Lubber Run Amphitheater summer 2012 program schedule. It includes descriptions of each performer to help you select those most of interest to you. Keep the schedule handy for reference over the next few

months. Additional info about the performances is on page 5.

On page 19 is a wonderful new map of Arlington Forest and adjacent areas made by noted cartographer (and Arlington Forest resident) Larry Bowring. A poster sized version will be displayed in the information kiosk that will be installed this summer at the trailhead at the foot of N. Granada/N. Greenbrier funded by a Park Enhancement Grant (PEG) that local neighbors received from the County late last year.

The map on page 19 is a draft version that is published here to solicit suggestions from residents (especially those who have explored our neighborhood in depth) for additional edits. Please e-mail any input to me at nalandfamily@yahoo.com by May 30.Continued page 11

AFCA Membership Meeting & Potluck Picnic

As is an Arlington Forest tradition, the May AFCA meeting will be a potluck picnic in Lubber Run Park and will feature the annual election of AFCA officers. It will be on Wednesday, May 16, starting at 6:30 PM in the park shelter upstream from the amphitheater. AFCA will cook up hamburgers and hotdogs and will provide buns, condiments, plates, cups, utensils and napkins. Residents should bring a

side dish to share (salad, veggie/fruit, chips, snack or dessert) and their own soft drinks.

While all residents are invited to every AFCA meeting, the May picnic meeting is a great way for infrequent attendees and recent arrivals to see their neighborhood association in action and have a say in its leadership and priorities. The

event will last about one hour and will be mostly fun and informal. Children are definitely welcome. There will be a brief business meeting to provide updates on pending issues plus hold the annual election of AFCA officers. This will be the last AFCA meeting until September.

Over 50 residents attended last year's picnic and we are hoping for another good turnout this time. Thanks go to Chris Scheer for organizing the picnic again this year.

Editor's Note

The *Arlington Forester* welcomes articles, news notes, letters and photos focusing on events or issues specific to our neighborhood. The next deadline is September 6 for the issue to be distributed September 15-16. E-mail submissions of 400 words or less to newsletter@arlingtonforestva.org. Space fills up, so check in advance if you plan to submit a long article.

Potential Parking Problems

Arlington Forest will soon have a new neighbor, the Madison II. The twin to Madison I, it will have 284 rental units. While it does have an underground garage, it is at a monthly fee.

Those Northside Foresters living in the vicinity of this new complex know what parking was like when the old Buckingham Village tenants had full access to neighboring streets. But, after North 3rd Street between Henderson Road and Park was deemed to qualify for County permit parking, the affected Foresters reclaimed their neighborhood.

Several Foresters who are Henderson Road residents are now thinking ahead as to the possibility of Madison II renters not wishing to pay for parking. Adding in renter's visitors, their guests, overnight relatives, etc, they could take over the west side of Henderson Road which is the perimeter of Arlington Forest.

Perhaps zoning only the west side of Henderson Road from North George Mason to Route 50 for County permit parking would be in order. If you have a Henderson Road address, your input is welcomed for this project to move forward. Contact Richard and Donna at rgsimpson@comcast.net by May 20.

Successful Neighborhood Cleanup

By John Naland

Around 60 Arlington Forest residents came out on a crisp Saturday morning on April 28 to participate in the second annual Arlington Forest Spring Cleanup. They tackled four sites: Four Mile Run at the foot of N. Granada, the buffer strip on the south-

side of Arlington Blvd, upper Lubber Run Park, and the N. 2nd Street traffic circles. Accompanying this article are several photos of the volunteers in action.

At the foot of N. Granada, some 25 volunteers removed trash from the Four Mile Run streambed and several gullies that empty into it both north and south of Arlington Blvd. About half of volunteers were youths who did a great job of removing trash that otherwise would have floated on to the Potomac River and eventually Chesapeake Bay.

At the southside buffer strip, around 23 volunteers picked up trash, weeded, pulled vines, dug up dead trees, raked leaves and beautified the area around the Arlington Forest sign. These neighbors have been doing annual cleanups of this area for years.

In Lubber Run Park, six volunteers participated. Several Cub Scouts from Pack 548 worked from 8 to 10:30 AM removing three garbage bags full of trash from the stream between the amphitheater and N. George Mason. Boy Scout Troop 648 was also represented and assisted site-coordinator Clay Woods in removing tree trunks and limbs that were blocking the free flow of the stream.

At the N. 2nd Street traffic circles, five volunteers turned out on Saturday or Sunday. Three of the four traffic circles are now completely weed free. Thanks to donated plantings, they are all also full of perennials which will prevent new weeds.

AFCFA thanks all of those who took the time to help out. If you missed this year's cleanup, you can protect our shared environment any day by picking up trash that you see in the curb in front of your house or while on walks in our public spaces. You can also keep your calendar free in late-April 2013 to participate in our third annual neighborhood cleanup.

Community Yard Sale

The May 19 Arlington Forest Community Yard Sale map on the back cover of this newsletter depicts those participants who signed up before this issue's copy deadline. Sellers are encouraged to make photocopies of the map (or download copies from the online Arlington Forester at www.arlingtonforestva.org) to display alongside their merchandise so that once shoppers find one sale site they can pick up a map leading them to other sites.

AFCA will place classified ads in local newspapers during the week before the sale. Sale participants living near Arlington Blvd, Carlin Springs Rd., George Mason Dr. and Henderson Dr. are encouraged to post signs pointing into the neighborhood and to their sales (please remove signs at day's end).

In past years, numerous additional sellers have participated without submitting their address to be marked on the map. So, as you walk around on the morning of Saturday, May 19 doing your browsing, you may well find additional sellers. Please consider patronizing any kid-run lemonade stand that you may pass.

Suggestions on how to make the most of sale day were listed in last month's newsletter. They include: display your items in shopper-friendly ways, price items reasonably, set up early, and watch your cash.

Whether you are a seller, a buyer or both, please join us on May 19.

Lubber Run Amphitheater 2012 Season Starts June 15

by Chris Scheer

The Lubber Run Amphitheater free summer performance schedule begins Friday June 15 at 8 pm with Mary Ann Redmond. The popular singer kicked off last year's abbreviated Lubber Run program schedule and had such a good time that she's coming back to start a full summer season at Lubber Run that will present 22 performances through August 4.

With new retaining walls and rehabilitated dressing rooms, the amphitheater will present theatrical as well as musical programs, including Shakespeare's "As You Like It" and Hexagon's biting political satire.

Live music ranging from indie/pop and folk to blues/jazz and old-time string will be featured along with special weeknight and 6 pm Sunday performances by popular community and cultural groups such as the Arlingtones, the Potomac Harmony Chorus and the Arlington Community Band.

A band with strong Arlington Forest roots, Colleen Shanley and Grand Junction, plays at the amphitheater Sunday July 15. Colleen, husband Casey O'Neal and son Evan are part of the five member group and live in Arlington Forest.

The amphitheater 2012 program schedule can be found on pages 16 and 17 of this newsletter. It includes

descriptions of each performer to help you select those most of interest to you and your family (or just come to all the performances if you want). Please keep the program schedule handy for reference over the next few months.

All performances start at 8 pm except for Sunday shows which begin at 6 pm. The 2012 program is presented by Arlington Cultural Affairs, a division of the Arlington County Department of Economic Development.

You can keep up with Lubber Run Amphitheater news on Facebook (search Lubber Run) and email questions and comments to the Lubber Run Amphitheater Foundation at lubberrunamphitheater@gmail.com.

You can make a tax-exempt donation to the Lubber Run Amphitheater Foundation with a check made out to the Arlington Community Foundation (specify the foundation on the check "for" line) addressed to 818 N. Quincy Street, Arlington, VA 22203. And the Lubber Run Amphitheater Wishing Well will receive cash donations at each performance.

Nature News

Original Occupants: With spring here, there are lots of reports of animal sightings around the neighborhood. In recent weeks, your newsletter editor has seen deer, brown foxes, rabbits, and snakes along Four Mile Run (primarily near sunrise or sunset). Other neighbors have seen raccoons. Coyotes were recently confirmed in far north Arlington. The website of the Animal Welfare League of Arlington advises "There's no need to fear wildlife. If you don't bother them, they generally won't bother you." There is no need to call animal control unless a forest animal clearly looks sick or injured. If needed, search the internet for advice on securing trash cans to keep raccoons from making a mess.

Park Enhancement Grant: Do you have an idea on how to improve a County park near you? If so, the Park Enhancement Grant (PEG) program is kicking off its annual completion for projects that fall outside of the normal Arlington County budget process. Last year, a group of neighbors in the first block of N. Granada St. secured a \$15,000 grant to beautify the trailhead near them (that work will be completed this summer). The County Park and Recreation Commission manages this program which provides grants of up to \$15,000 for small improvement projects such as erosion control, park fixtures, new pathways, and signage. Proposals are evaluated to ensure they meet County standards, will provide long term service to a substantial number of citizens and meet other criteria in the PEG guidelines. If you are interested in enhancing a park, attend the June 5 PEG information meeting at the Central Library second floor meeting room at 7 pm. For more info, search "Park Enhancement Grant" on the County website.

Beautiful Gardens: Do you want your Arlington Forest yard and garden to complement the adjacent forest? Virginia Cooperative Extension Master Gardeners are organizing a symposium "Working With Nature for Sustainable, Beautiful Gardens" to be held June 9-10 at Fairlington Community Center. On day one, Doug Tallamy, author of

Bringing Nature Home, will discuss how gardens can sustain wildlife with native plants and Holly Shimizu, Executive Director of the U.S. Botanic Garden will discuss the "Landscape for Life program" which provides principles for gardening sustainably. Breakout sessions will focus on: Choosing Plants for your Sustainable Landscape Garden; Sustainable Fruit and Vegetable Gardening; Stone, Structures, and Pavers: Materials for your Sustainable Landscape; Sustainable Water Management; and Chemical Free Soil. Day two will feature a self-guided tour of VCE demonstration gardens to observe sustainable gardening principles in practice. Cost for the symposium is \$50 and includes a box lunch. For more info and to register, go to www.mgnv.org.

Long Branch Nature Center: Nature abounds at our nearby nature center during the spring and summer. The center

is open Saturdays, Noon to 5 PM, and Tuesday through Friday, 10 AM to 5 PM. Closed Sunday and Monday. Check the quarterly newsletter The Snag (on the County website) for a full listing of LBNC's many programs for children and adults.

New School Issue: Public discussion of a possible new school on the site of the Lubber Run Community Center has moved to the back burner as the School Board focuses on quicker-impact projects to boost capacity by September 2017. Longer-term elementary projects and middle school and high school capacity expansion projects may not be considered until next year. To follow developments, go to <http://www.apsva.us/capacity>.

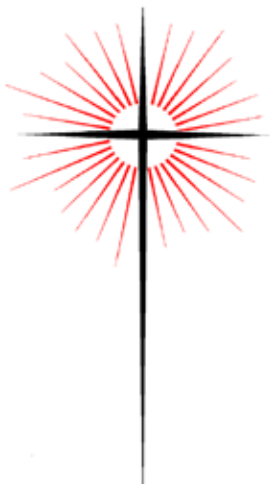

AFCA Membership Drive: The final numbers are in for the annual AFCA dues drive. A total of 324 out of 853 households paid their \$10 dues for the Sept 2011 to Aug 2012 fiscal year. By neighborhood, the response rates were: Greenbrier-39 percent; Southside-38 percent; and Northside 36-percent. Arlington Forest-wide, the average was 38 percent. That is up from last year, but down from the record high of 655 (77 percent) in 1972. Look for the 2012-2013 dues coupon in the September newsletter.

Call for Project Ideas: As detailed here in March, the County will invest \$485,000 over the next two years to improve the playground in Glencarlyn Park near the end of S. Park. With that project approved, AFCA now needs to decide what Neighborhood Conservation project to propose next for County consideration. Since Arlington Forest is now at the end of the line for future NC funding, it

will take a minimum of four to five years for a new project to work its way through the funding system. But it is to our advantage to submit our next proposal sooner rather than later. Recent discussion on the AF Moms listserv suggested improving the playground on N. Edison Street. Residents supporting that or other projects on County land are invited to contact Arlington Forest's NC Representative Tim O'Leary at tfoleary310@gmail.com with specific suggestions.

Pack 548 Indoor Canoe Regatta: Your local Cub Scout pack will host an "indoor canoe" regatta, a fun event, for boys in elementary school (especially Kindergarteners) on June 15 (7 PM) at Our Savior Lutheran Church, 825 S Taylor St, Arlington). Pack 548 Scouts and guests will be racing in pairs as part of a relay team on specially built indoor canoes. If you are interested in racing or want to learn more about Scouting, please contact the Cubmaster (Carey Johnston, johnston.carey@verizon.net, 243-3570). For more info, see the Pack 548 parent info guide (<http://bit.ly/oyMTgj>) or check out the pack photos (<http://bit.ly/w42fP>).

Special Summer Issue

You are also encouraged to retain and use the map to explore our neighborhood and nearby forest trails this spring and summer.

You may also want to hang on to the page 14 Kids for Hire listing in the coming months. This feature began in November 2010 with just seven names and now lists 22 neighborhood youths who stand ready to assist you with babysitting, dog walking, yard work, or other services for a reasonable price. They can provide references if you want to check them out before offering a job. If you have a teen or tween who would like to be added to the list this fall, just e-mail newsletter@arlingtonforestva.org. Please also patronize our newsletter's advertisers this summer. Many are physically located in our neighborhood while others highly value their

steady stream of customers from Arlington Forest. Advertising revenue covers the cost of printing and distributing this newsletter. That frees up your dues money to fund AFCA's other activities that enhance the quality of life in our neighborhood.

The *Arlington Forester* will return in September. As always, we welcome articles, news notes, letters and photos focusing on events or issues specific to our neighborhood. The next deadline is September 6 for the issue to be distributed September 15-16. E-mail submissions of 400 words or less to newsletter@arlingtonforestva.org.

Barrett School News

We've had a fantastic year at Barrett Elementary. There are still a few more great things happening before the 2011/2012 school year comes to a close.

At the **Honor Roll and Reading Assembly** on April 27, Ms. Bratt announced that with 55,000 books read so far this year, the students are well on their way to reaching their goal of 60,000 books read. The students will celebrate this accomplishment during **Reading Fun Day** on June 15.

The **Barrett 5K Run and Kids' Marathon Mile** on April 21 was a success! We had 230 runners and met our fund-raising goal. Thank you to all volunteers, sponsors and local businesses. The musical performances, open mic readings, and students' art and writing displays at the **Art & Writer's Fair and Used Book Sale** on Thursday, April 27, were fantastic!

Teacher Appreciation Week (May 7-11) was to show our appreciation for all that teachers do for our children and community. We hope they enjoyed: Munchkins and coffee, flower day, grade-level breakfasts, PTA sponsored luncheon, recess coverage and kind notes and words from parents and students.

Rising Kindergarten Orientation is on Friday, June 8, from 9:30 a.m.-11 a.m. This is an important event for Barrett rising kindergartners to see the school, meet students and teachers, and view the classrooms. The **Volunteer Tea**

is on Wednesday, June 6, from 4 to 5:30 p.m. This is a lovely event sponsored by Barrett teachers and staff to thank those who volunteer at Barrett.

We wish **Ruth Streeter**, our amazing art teacher, well as she retires at the end of this school year. We are thankful for the beauty she has guided the students to create during her years here.

All Barrett families, students, teachers and community members can support Barrett at **Dogfish Head Restaurant Night** on Tuesday, May 15 (between 11 a.m. and 11 p.m. a portion of sales on that day will come back to Barrett).

Barrett's Upcoming Events:

- June 5 PTA Meeting
- June 8 All School Concert
- June 8 Rising Kindergarten Orientation
- June 11 First Chapter Days
- June 12 Family Library Night
- June 14 Instrumental Concert
- June 15 Reading FUN Day, RIF and Kindergarten Flag Parade
- June 18 Roving Readers Day
- June 19 Field Day
- June 20 Early Release and 5th Grade Promotion
- June 21 and June 22 School Assemblies
